Request for Proposal
Waste Removal

Summary: The Nottingham School District is soliciting bids for waste removal from their school. The Nottingham Elementary School is located at 245 Stage Rd., Nottingham, NH. The direct contact person is Mr. John Olson, Facilities Director at 603-679-5632.

Nottingham SD is looking for a contractor to remove waste and to supply the school district with dumpsters and containers as listed in this RFP.

The specific requirements are as outlined as follows:

Qty	Description	Frequency	Disposal Method	Bid Amount
2 (10) yard Dumpster	General Refuse (no hazardous waste)	1 x per wk	landfill	\$ <input type="text"/>
1 (3) Yard Dumpster	Cardboard	every other week	recycle	\$ <input type="text"/>
6 (55) containers	Mixed Paper	every other week	recycle	\$ <input type="text"/>
As needed	Mixed containers (#1 and #2 plastics)	every other week	recycle	\$ <input type="text"/>
	Monthly Total (excluding any fuel surcharge)			\$ <input type="text"/>

Option:

1 (8) cubic yard recycle container

every other
week

\$

Due Date: All bids must be sent to the above address and to the attention of David Sommer, Business Administrator by Monday, May 15, 2010 no later than 1pm for consideration. The contractor will also include their calculation (if applicable) for any fuel surcharges. The Nottingham SB has the right to accept and or reject any and all bids. Fax copies of the bid will not be accepted.

The winning bidder will begin service on August 1, 2010 and the agreement will end of July 31, 2011. The contractor will provide the Nottingham SD with an insurance certificate naming the district additionally insured. The contractor will also provide from their insurance company confirmation of their truck liability insurance limits. The contractor will advise the Nottingham SD is the delivery charge.

Specific questions and logistics can be directed to Mr. John Olson at 679-5632.
